

North Canyon Medical Center's Charity Care program

Eligibility for charity care is based on family size and family income of the applicant by using a poverty guidelines chart.

The following poverty guidelines chart will be used to determine the percent (%) of the patient's responsibility that will be written off and the percent (%) that will be patient responsibility:

POVERTY GUIDELINES CHART

FAMILY SIZE	FAMILY INCOME	% OF INCOME		
		125%	150%	175%
=====				
==				
1	12,140	15,175	15,210	21,245
2	16,460	18,213	21,855	28,805
3	20,780	25,975	31,170	36,365
4	25,100	31,375	37,650	43,925
5	29,420	36,775	44,130	51,485
6	33,740	42,175	50,610	59,045
7	38,060	47,575	57,090	66,605
8	42,380	52,975	63,570	74,165

- Under the poverty guideline, 100% of the account balance will be written off and patient responsibility will be 0%
- At the poverty guideline to 125%, 75% of the account will be written off and patient responsibility will be 25%
- At 125% of the poverty guideline to 150%, 50% of the account balance will be written off and patient responsibility will be 50%
- At 150% of the poverty guideline to 175%, 25% of the account balance will be written off and patient responsibility will be 75%
- Above 175% of the poverty guideline, 0% of the account balance will be written off and patient responsibility will be 100%

For Example: If your family size is 4 and your family income is 35,000, then 50% of the account balance will be written off and 50% of the account balance will be your responsibility.
