Don't let joint pain
hold you back

**Join us for
a free seminar!**

March 13, 2020 | 6:00 PM - 7:00 PM
AJ's Restaurant | 1130 US-20
Mountain Home, ID 83647
Appetizers will be served.

325 Corporate Drive
Mahwah, NJ 07430

t: **1-888-STRYKER**

If you suffer from knee or hip arthritis, the resulting pain can feel debilitating, keeping you from activities you love. So if it's time to take control of your joint pain, learn about your treatment options.

Attend an upcoming seminar with **Dr. Guy Grooms** and **Dr. Toby Anderton**. He will discuss the latest advances for joint pain, including Mako Robotic-Arm Assisted Technology. Mako Technology helps doctors plan a joint replacement using a 3D virtual model, and perform surgery with a robotic arm.

Register at patients.stryker.com/seminars or call 1 888 STRYKER (1 888 787 9537).

All surgery carries risk. See your orthopaedic surgeon to discuss your potential benefits and risks. Not all patients will have the same post-operative recovery and activity level. Individual results vary.
